Photography release

Photographs/videos are lasting souvenirs of the fun and activities during a nudist convention. We expect that a bona fide nudist exercises reasonable restraint and good taste in photographing nudist activities. You are in control of where and by who photographs of others and your family may be taken. The following release will be maintained to record your wishes for this convention.

Green Wristbands/tag: General Release

Armadillo Resort and AANR-SW designated photographers and other nudists with registered cameras have permission to take photographs in good taste. Photos may be used in AANR, AANR-SW, The Naturist and other legitimate publications.

Yellow Wristband/tag: Conditional Release

Photographers must ask for permission to take photographs. Permission may be denied to anyone for any reason. Group activity photos may be taken by officially designated photographers without prior notice of intent.

Red Wristband/tag: No Photographs

No photographs are to be taken of this person and they will not photograph others.

Please list the covered family members and type of release below: (please print)
